**DETAILED ACTION**

***Election/Restrictions***

1. Applicant's election of Group 1 drawn to a self-aligning motor mount in the reply filed on January 10, 2006 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

2. Claims 15-21 are withdrawn from further consideration pursuant to 37 CFR 1.142(b), as being drawn to a nonelected invention, there being no allowable generic or linking claim. Applicant timely traversed the restriction (election) requirement in the reply filed on January 10, 2006.

3. The reply filed on January 10, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

In the response to the restriction requirement dated January 10, 2006, applicant was non-responsive in regard to the election of species requirement in the restriction mailed December 27, 2005. A telephone call was made to Joseph Young on January 20, 2006 to rectify the non-responsive answer and advance prosecution on the merits. The telephone call resulted in the election being made on January 23, 2006 of Species 1, the embodiment of figures 1 and 2, with claims 1-10 and 12-14 being readable thereon.

Examiner further withdraws claims 1-10 and 12-14 as being drawn to a non-elected species.

Regarding claim 1, the species of figure 1 and 2 does not show a drive pinion gear with a driven gear, or necked down shaft extension. Claims 2-7 are withdrawn as being dependent on claim 1.

Regarding claim 8, figures 1 and 2 do not show a drive gear or a driven shaft including a shaft extension. Claims 9, 10 and 12-14 are dependent from withdrawn claim 8.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
